Product Catalogue

About Us

Beydora Arms is a leading firearms manufacturer and exporter in Turkey. With over thirty years of experience, we have established ourselves as a trusted brand in the industry. Our production facilities span over 5,000 square meters of closed area and 10,000 square meters of open area, equipped with state-of-the-art technology and high-tech machinery for quality production. We prioritize investment in innovation, research, and development to stay at the forefront of the firearms industry. Committed to excellence, our dedicated quality control units ensure that every product meets the highest standards.

At Beydora Arms, we strive to be pioneers in the field and continuously provide innovative solutions to firearms enthusiasts worldwide.

VISION

Our vision as a shotgun manufacturer is to become the leading provider of high-quality, reliable, and innovative firearms.

MISSION

Our mission at Beydora Arms is to be the leading shotgun manufacturer dedicated to providing high-quality firearms that embody unique craftsmanship, innovation, and performance.

INDEX
